

STARY & STARY JR.

Emily Aronoff, Youth Advisor, 561-281-5457

Dear STARY families, teens, and congregants:

February was a whirlwind month for STARY youth! Between Hatikvah Kallah, Rick Recht, Lock-In, Disney Trip, Purim Carnival and the Youth Lounge's "facelift," more teens participated in youth activities at Temple Shaarei Shalom this month than ever before. February also marked the first ever event STARY, hosted for other Palm Beach County youth groups, and it was a great success - nearly forty teens "locked-in" with us after the Rick Recht concert and we all enjoyed Disney the following day.

We want to thank the many volunteers who helped coordinate the Purim Carnival. We could not have done it without the help. Next month, we will be formally thanking our sponsors.

Coming up in March, the teens are electing a new Teen STARY board to take on leadership responsibilities in not only youth group, but also the Temple community. You might see some fresh new faces at board and auxiliary meetings.
