ABOUT TEMPLE SHAAREI SHALOM

Temple Shaarei Shalom is a Reform Synagogue, located in Boynton Beach Florida, affiliated with the URJ.

The purposes of the Congregation are to: (a) establish and maintain a synagogue for worship, education and assembly in accordance with the tenets of Reform Judaism; (b) cultivate love and understanding of the Jewish faith and heritage; (c) stimulate fellowship in the Jewish community; and (d) apply principles of Reform Judaism to the values and conduct of its members.

Working with the URJ gives us access to the latest and best programs in Reform Judaism.

Temple Shaarei Shalom, offers many programs and auxiliaries. There are opportunities to participate in numerous religious, social and educational activities.

Our Religious School (Pre-k through Confirmation) is attended by over 300 students who receive an outstanding religious education, participate in services on the Bema and have opportunities to study for Bar/Bat Mitzvah, continue their Jewish education to Confirmation, enjoy elective programs and youth group.

Come worship with us at a Friday evening Shabbat service, study Torah on Saturday morning, and stay for the Saturday morning service. Experience a caring and welcoming Congregation and our dynamic Rabbi and Cantor, who enrich our meaningful religious services.

Our Temple office would love to provide you with additional information.

WELCOME LETTERS

A congregation is made up of many things and many experiences. Some are of a sacred variety, and some are of a more informal nature. It is clear that the former nurture the soul. The immediate relevance and import of the latter, however, are not immediately apparent. In truth, these things that are fun, that are out of the ordinary, that don't necessarily reflect a search for truth or divinity, these too nurture the soul. Fun, recreation, enjoyment, these may not be necessary to maintain life, but they are the kind of things that make life worth living. So here we are at our annual Golf Outing; a day that makes life worth living, even if I personally will probably shoot a 106, lose more than two dozen balls, and may likely wrap a club around a tree. This is a time to be out in nature, to enjoy one another's company, and yes... to cheat a little.

Many thanks to all of you who are coming out to participate today. Many thanks to all of those who put so much effort into making today a success. Many thanks to God for making this a day worth living.

Now... go get 'em. And beware, the errant shot headed for your cart is probably mine.

Rabbi Fratello

I cannot even begin to express my gratitude to everyone and for everything that has been done to put together such a phenomenal event. Whether you are a golfer, dine with us for lunch, or sponsor this golf tournament in any fashion; your participation has absolutely made an impact on our fundraising goal.

And to our amazing volunteers, who always go above and beyond, thank you so much for all of your efforts in ensuring our Annual Golf Tournament is a success! We couldn't do it without you!

Thank you all!

Lisa Cuthbertson
