

Please Support our Bar Mitzvah Student

My name is Max Krostich and I created **Team Max's BraveMovement** and I am excited to participate in the **Take Steps Walk** on November 6, 2021. I will be doing this fundraiser also as part of my Bar Mitzvah project.

I am inviting my friends and family to walk with me and/or donate to the team. This is important to me because I have colitis and a lot of my family has Crohn's and Colitis too, and this will help with research to find a cure. I feel great about being the team leader and I'm excited for raising awareness and raising money for a great cause.
