RABBI'S FORUM

Rabbi Anthony Fratello

Well friends, for the THIRD time now, we are having COVID during Pesakh. It is true, we've now had Three COVID Purims, we have had Three COVID Spring Breaks, and in the coming months we will have a Third COVID Shavuot. Some of us have had (or are soon to have) our Third COVID Birthday. But there is something truly troubling about Pesakh during COVID.

The Holiday of Passover is first and foremost about Freedom. It is about how our ancestors escaped from the bondage to Pharaoh in Egypt. How we went thru the Wilderness to arrive in the Promised Land. When we gather for the Seder Meal, we are meant to eat as Free People. COVID and the necessary and important restrictions that have come with it, mean a curtailing of that freedom. Or… if not a curtailing, a necessary realignment. We have to reset our expectations and plans.

But still in all, this year's COVID Passover will NOT be like other nights!

In 2020 and 2021, many of us ate without anyone else. This year, some of our tables will be full again.

In 2020 and 2021, many of us were mourning those who had died of illness and disease. This year, thankfully, the death toll has fallen.

In 2020 and 2021, many of our supplies or necessities were missing due to shortages or supply chain problems. This year, if you need TP you can find it, if you need unleavened goodies, Glick's is open. This year our shankbones will be roasted, and our Seder Plates will be full.

Scholars tell us that Passover is the most widely celebrated Jewish Holiday. Even those Jews who have no interest in being in synagogue for Rosh Hashanah or Yom Kippur, seek out a little matzah in the springtime. From that standpoint, almost all of us have been to a Seder and understand the basic meaning of the meal. In the Hagaddah we are taught that in every generation we are to see it as if it was, "We ourselves who went forth from Egypt."

How many times have we read those words? How many times have we been presented with that sentiment, only to let it fade away as we anticipated a steaming bowl of matzah ball soup?

The impact that COVID had on our lives and the lives of our friends, families, and communities cannot be understated. We must take some time to reflect on that, to learn from that, and to consider how we ourselves have gone from slavery to freedom. That journey is rarely as simple and uneventful as people might have us believe.

When you take time to sit with your family and friends, or even just by yourself (as the case may be) take a moment to reflect on the freedom that you have. The price that you paid to earn that freedom, and what it means to be enjoying it. Then Passover moves from just being something you do in the spring, to being part and parcel of who you are and how you see yourself.

On behalf of Rabbi Tract, Samson and Eli, and I, may you all have a Zissen Pesakh, and a crumby holiday.

I have a question…Why does everyone shudder when you mention the word millennial? I am a baby boomer myself, but I have two girls who are for sure millennials. If you were born in the years 1981 through 1996, you are considered a millennial. Here are some definitions:

"Millennials love music, creativity, and care about social causes. They may not be writing the big checks yet, but they will spend a little extra with a brand who is aligned with what they care about – whether that's an artist or a cause."

"They're focused on technology and have perfected using it to find everything; restaurants, clothes, furniture decorating ideas and more."

So, here's another question…How can we, as leaders of this Congregation, connect with the millennials of the Jewish Community? We've brought in Noah Aronson, we've brought in Sheldon and Hadar; the Children's Choir sang with these amazing artists as well. We've had The Art of Jewish Art, a Challah Bake, Purim fun, and there's more to come later this year.

There was a survey done in New York City on the life of Jewish Millennials. The outcome of this survey was both interesting and disturbing. Between life goals and identity values, life goals were far more important than identity values. Advancing in their career fields ('what I do') was 82% of the responses and religion ('who I am') was 10%. Ok. Now I get it. We baby boomers brought our children up to be independent, well-educated, and have strong and successful careers; hence, the millennials. Judaism has somehow taken a backseat to everything else. Priorities have shifted between the generations.

Kudos to the millennials for becoming the doctors, lawyers, and technology gurus of today and the future. Let's try to put Judaism back in there as well. We need you!! Think of a way that we can bring the music, creativity, social causes, technology, etc. and connect those life goals with Jewish Identity. Our children should love being Jewish again. Let's go Millennials!!!

Hey Millennials…join us with your Bubbes, moms, children:

Education Update

Lisa Tenenbaum, RJE

We had so much fun celebrating PURIM at Megillah Readings both at TSS and with our friends in Wellington. Our Purim Carnival was wonderful; we loved seeing all those that came out! A BIG shout out to Laura Pappas, our Youth Engagement Coordinator. Thanks too to our STARY President, Emily Bell, and all of the teens; especially to our Confirmation Class for making Carnival 22 a giant success. TODAH RABAH to all of our sponsors, and to the PTO for their help in the kitchen and their constant support.

Moving on to our next holiday, one of the themes of the Pesach Seder is renewal and rebirth. It is a chance for us to reconsider what lies ahead and how we can do things differently. This year, as we try to put the pandemic "behind us; it is a wonderful opportunity to think about the future of education at Temple Shaarei Shalom, and how we might innovate for the future. To that end, I have been participating in a project called Innovation Engine, with the Jewish Education Project funded by the Jewish Federation of the Palm Beaches. Together with other local educators, we are having conversations that will help bring new ideas to light in our schools and congregations.

We began this process by talking to people in our congregations about their Hopes and Dreams for the f uture. We formed this question: How might we enable people to discover meaning and personal connection to Judaism so that they will incorporate it into their lives today and in the future? This will help steer us in planning and programming. The next step is to try something, or prototype, a program. The idea of the prototype is to run something several times; and then elicit feedback to see how we did in order to tweak, change, or perhaps retool completely. Finally, a pilot program is launched containing data collection to see how the program is doing, and how to proceed into the future. Although you might not SEE these things happening, please be assured that they ARE, and change is in the making - change that you have asked for! Not just for our younger students, but for learners throughout our Congregation! There will be a short survey coming soon regarding scheduling for next year. Please be on the lookout for that, and be sure to participate so your voice can be heard.

We have a very exciting project planned for our Seventh graders! They are participating in the Jewish Court of All Time, a national simulation that is done virtually with students around the country. Students will assume a fictional role, and react to a real historical event in order to learn, discuss, and explore current ideas and values.

Before you celebrate Pesach at home, we hope to see you at PTO FAMILY BINGO on 4/2/22 and Pre-Passover Mini-Golf on 4/11/22. Also, please donate generously and participate in National GOOD DEEDS DAY on 4/3/22.

Wishing you all a healthy and happy Pesach! May we remember the importance of the Pesach story, and the lessons of remembering our history, and standing up for what is right!

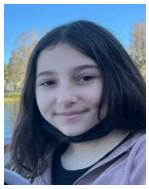
Parent(s) Names: Franki & Evan Cohen
Grandparents' Name: Brahna & Julius Singer and Carol (z"l) & Abbott (z"l) Cohen
Sibling's names: Drew Cohen
Sports: Dance
Academic Interests: Math
Special Interests: Girl Scouts doing Community Service and Love Animals

Torah Portion: *Matzor*

My Bat Mitzvah Project: When I was deciding what to do for my Mitzvah Project I was encouraged to find something that is very meaningful to me. I love celebrating other people and making them feel happy and special. I have always been aware that there are kids that are in Foster Care System and what that means, so when my parents found the organization: "Together We Rise," and I read about the Birthday Boxes I knew this is what I wanted to do for my Mitzvah Project. I was so excited about the thought of children, many of whom do not have the opportunity to have their birthday's celebrated like I have been so fortunate to have the last 13 years I set a goal of having 100 boxes donated. Because of you all, not only did I reach my goal, but I raised enough money to sponsor 120 boxes. Knowing that 120 children throughout the country will now have the opportunity to have their birthday celebrated is the best feeling ever!

Alana Avery Bernstein



Becomes a Bat Mitzvah
On April 23, 2022

Parent(s) Names: Matt and Allison Bernstein
Grandparents' Names: Ronald & Joanne Miller, Gary & Barbara Katz, and Alan Bernstein (z"l)
Sibling: Aubrey Bernstein
Special Interests: Theater, Band (Piano and Oboe), Art and Singing

Torah Portion: *Acharei Mot*

My Bat Mitzvah Project: My grandfather on my father's side, Alan Bernstein, whom I'm named after, passed away from Amyloidosis before I was born. So, I never got to meet him, but I have been told about what an amazing person he was and how much he would have adored me. He was funny and kind. He loved to scuba dive and spend time with his family. Amyloidosis is a rare disease that occurs when an abnormal protein, called amyloid, builds up in the organs and interferes with their normal function. Because of this, as my Bat Mitzvah Project, I am raising money for Amyloidosis in honor of my grandfather, Alan Bernstein.

Lila Spielman

Becomes a Bat Mitzvah
On April 30, 2022

Parent(s) Names: Jason and Amy Spielman
Siblings: Emma Spielman
Special Interests: I attend BAK MSOA, a performing arts middle school majoring in vocal. I am active in the choir.

Torah Portion: *K'doshim*

My Bat Mitzvah Project: I have been trying to complete my Bat Mitzvah project of helping children in a cancer hospital, but it has been difficult to complete due to covid.

From the Board Room

March 2022

The Board approved the purchase and installation of a replacement air-conditioning unit.

The Board also approved the hiring of the Palm Beach Sheriff's Office (PBSO) to provide security during services and religious school. As is customary in other congregations, the cost for this will be met by each adult congregant as a separate billed item.

After April 29th, we will return to regular Onegs with sweets that will be prepared, plated, and delivered by Simsations Baked Goodness.

The report of the Nominating Committee was accepted by the Board in order for its report to go forward to the Congregation.

Rabbi reported on a re-aligning of responsibilities, as we move into a post-covid time: Beth Pennamacoor will be responsible for student Bar/Bat Mitzvah preparation; Lisa Tenenbaum will tutor students who may need additional help; and Laura Pappas will be responsible for Youth Group and Young Families.

The Vice Presidents, Auxiliary Presidents, and Committee Chairs submitted reports on a wide range of activities that they are planning and beginning to implement.

The Board received two proposed budgets to discuss and review. One budget included a school renting space (with the proposed income and expenses tied to that) and one was put forward with no school rental (but with other proposed income sources). After an opportunity to study and question, the Board will, next month, recommend one of the budgets. The proposed budget that the Board recommends then goes to the Congregation for its approval at our Annual Meeting.

ANNUAL MEETING TUESDAY MAY 17th at 7:00 PM

BROTHERHOOD

The Brotherhood of TSS is now fully rejuvenated and busy planning a great 2022 season. We area doing our best under these very difficult circumstances we are all facing. We have officially joined the national organization, Men of Reform Judaism. This organization hosts series of webinars on a variety of topics which will be posted in the weekly email from the Temple. There is no charge to participate. The next one is May 3, 2022 at 8:00 PM **Click Here to Join**

Although the recent COVID outbreak has made it extremely difficult to plan events, we are doing our best. We are considering inviting guest speakers on such topics as medical marijuana, immigration, and anti Semitism (presented by the Anti-Defamation League.)

We are planning a family movie, *Keeping Up With the Steins,* and pizza dinner on a Sunday evening (6:00 PM start). On May 10th (see next page) we are coordinating with the Israel Committee on a joint program honoring the 74th birthday of the State of Israel. We are also planning a cruise down the intracoastal on the *Lady of the Atlantic* from Delray Beach and a closing dinner at a local restaurant. We will reschedule our evening at the Silverball Museum as a fund raising event. Looking into the future, we hope to resume our very popular Brotherhood Caribbean cruise in December, 2022. Stay tuned for more information on all upcoming events.

If you have any questions and suggestions for future events feel free to contact any one of the members of the Brotherhood Executive Committee:
