

Legacy

I have decided to leave a legacy to the temple for several reasons. First of all, Miles really loved being involved in the temple and brotherhood. Second, the temple has become even more important to me now that Miles has passed. My coming to services most Friday nights has a great calming effect on me. Also my involvement with sisterhood is very special to me. The Temple has provided a warm and loving place in times of joy and sorrow. I want to make sure that future generations have the same wonderful experiences that I do in this very unique Temple.
