Hanukkah is a time of joy and celebration. It memorializes a unique period in Jewish history during which the brave Maccabees fought to reclaim the Holy Temple, then rededicated it after it had been defiled by soldiers of the Seleucid Greek Empire. It is a bright spot on our Jewish calendar, bringing families and friends together to share in the customs of the holiday. We light up the darkness of winter and bask in the glow from the Hanukiyah as we sing traditional melodies, eat latkes and sufganiyot, and watch the children spin dreidels and open other treats and treasures.

Hanukkah begins this year on Thursday evening, December 7. On Friday night, December 8, please plan to join us at Temple for a big Hanukkah celebration. Bring your Hanukkiyot (“menorah” is the general term for a candelabra; “hanukkiyah” is specifically the eight-branched menorah), as we will have a communal lighting and join in the blessings together. Our evening will begin with a festive dinner and continue with a service of song and celebration.

Speaking of song and celebration, I am thrilled to announce that we will be starting our new Volunteer Choir in early 2024! It has been a few years and I know many of you have been asking. If you are interested in joining the Choir, please email me at cantor@templeshaareishalom.com. I will gather all your names and then reach out to the group directly to discuss rehearsal times and your availability. I am really looking forward to working with you—I know we will have so much fun together!

As we contemplate the rededication of the Ancient Temple in Jerusalem, let us approach these opportunities as ones of communal rededication as we rededicate ourselves to welcoming all our Temple families together in joy and love and, for those of you who are able, to sharing our musical gifts with each other. Let us also rededicate ourselves to being bringers of light, casting out any shadows that may linger.

As we look toward the secular New Year of 2024, may it shine as a beacon pulling us into a time of wonderful possibility.

From our President

This time of year is marked by various celebrations, each with its unique traditions and significance. It is a time when we come together, not only to celebrate our differences but also to embrace the common thread that unites us all.

In the spirit of unity, let us remember the importance of kindness, compassion, and understanding. TSS is a diverse tapestry of individuals, each with their own story, and it is this diversity that enriches our community and makes it truly special.

As we light the candles of Hanukkah, let us also reflect on the message of hope that this festival brings. The story of Hanukkah teaches us that even in the darkest of times, a small flame can illuminate the way forward. It is a reminder that each one of us has the power to bring light into the lives of others through acts of kindness and generosity.

During this time, we also have special prayers and hope for peace in Israel. We are all thinking about Rabbi Fratello and wishing him *refuah shlema* from his surgery.

I am grateful for the warmth and support that each of you brings to our synagogue family. Together, let us continue to foster an environment of love, caring and understanding.

Wishing you all a joyous and meaningful December, filled with the light of love and the spirit of unity.

Potluck Havurah

About nine years ago a group of us began getting together for a potluck dinner on the first Friday night of each month, before heading to Temple. Someone volunteered to host at their home and, they decided on the main course, and made it. I handled getting the host name, phone number and address to the group. Most of us did not know one another and we made terrific new friends. Over the years some people left, new members joined and we grew to over 20 members. That year we started getting together at two homes so that we could keep our dinners manageable.

After a pause due to the pandemic, we began again last season, and we had two homes once again. It was good to see new friends, longtime friends and talk about the summer and the holidays.

I am still coordinating this dinner and we started up in November. We always welcome any TSS member who would like to join us for a nice pre-Temple dinner. We meet at the host home at 5:00 p.m. and we leave by 7:00 p.m. to get to Temple for services. Our next Potluck Dinner is January 5, 2024.

If you would like to join us, please contact me. Everyone is welcome- single, married, partnered, any age. I send out emails to anyone who signs up and you come when you can, you host when you are able and you bring something for dinner every time. My email address for this Temple function is: Havurot@TempleShaareiShalom.com

Please save the date Wednesday January 10, 2024 for a screening of the movie “How Saba Kept Singing” at Temple Shaarei Shalom presented by InSight as part of our Adult Education Program.

The award-winning documentary film, “How Saba Kept Singing” shares the story of Cantor, Holocaust Survivor, and military veteran, David “Saba” Wisnia, who spends his later years traveling with his grandson and musical accompanist, Avi Wisnia, sharing the story of how he survived the Holocaust through music which the duo performs together.

Cantor Wisnia’s story centered around the belief that he survived Auschwitz mainly by using his beautiful singing voice to entertain his Nazi captors. These performances in the death camp gave him status as a privileged prisoner.” However, when David takes his family back to Poland for one last performance, Avi starts asking questions and they discover that someone else had a hand in Saba’s survival. A powerful and uplifting story about music, faith, family and resilience, proving love can grow and take hold in even the darkest of places.

The film is directed by Sara Taksler (Tickling Giants), and Executive Produced by Hillary Rodham Clinton and Chelsea Clinton. It became an international sensation when featured in the New York Times and BuzzFeed. “How Saba Kept Singing” premiered at the HotDocs Toronto International Documentary Festival (2022) and made its national TV debut on PBS in 2023. The documentary was recently honored with the Audience Award at the Rutgers Jewish Film Festival.

More details will follow.

Brotherhood

Some of the reasons to join Brotherhood include:

- Financial support to the synagogue
- Our membership in the national organization Men of Reform Judaism
- Monthly luncheons
- Trips and programs throughout the year
- A great place to socialize with friends and make new ones

If you have not yet signed up for our Brotherhood cruise there is still room available. The 10 day cruise on *Celebrity Reflections* leaves **on Sunday, December 10**, from Port Everglades. We visit the ABC islands and Grand Cayman Island. Contact Stan Hulkower or Steve Katz for more information.

On **Thurs. Jan. 11, 2024**, Brotherhood is having a bus day trip to Miami Beach. We will park our cars in safety at the synagogue at 9:00 AM and board a bus, returning approximately 5:30 PM. We will visit the Holocaust Memorial, Cuban Synagogue, lunch on your own at the Bayside Marina, and then the Jewish Museum. Cost is \$82/person which includes all admission charges. This event is open to all Brotherhood members and their friends. See the flyer on page 13. 

Save the date, **Friday, Feb. 23, 2024, 7:30 PM**, for Brotherhood Shabbat at TSS. We will be participating with honors and speaking parts throughout the entire service. Brotherhood will also sponsor a delicious Oneg after the service. Again, all are welcome, so bring spouses, family and friends. We will be reaching out in the near future to our approximately 80 members to ask for their support and participation for this very meaningful event.

We are planning other events as well. This includes guest speakers on such topics as medical marijuana, bitcoin investments, and Anti-Semitism presented by the Anti-Defamation League. We are planning a program by the League of Women Voters on the crucial 2024 elections
