Education Update

Lisa Tenenbaum, RJE

Shalom to all. These past two months have been challenging for the Jewish community. However, I am thankful! When I see the smiling faces of our students, when I listen to the various voices blending during worship services, and when I see generations celebrating Shabbat and holidays together, it brings me joy, and hope.

The mission of the TSS Religious School is to educate students in all aspects of Judaism, enabling them to make informed choices and shape their Jewish identity within the Reform community and the Jewish community at large. However, our immediate goal is for our students to enjoy their time here, create friendships and experience the joy of Judaism, so that they will feel the synagogue is a warm and welcoming space for them and their families now and throughout their lives.

We have specific curriculum blocks for the different grade levels and teachers plan together and with me to create lessons and activities that are fun and engaging. Each year, we host school wide learning days, such as Hanukkah Happening, Tu B'shvat Scavenger hunt, or an interactive seder. Our teachers are encouraged to be creative and to use the spaces inside and outside the building, so that students are not confined to the classroom.

Grades Kindergarten – Third Grade These first years are the foundation of our students' Jewish education. Students are introduced to Torah and Jewish holidays and become comfortable in the Temple. They learn Hebrew vocabulary through Hebrew Through Movement. Each week, students also pray and sing with the Cantor in the Sanctuary during Kehillah. We invite the parents to participate with their children in the Sanctuary @ 11:30 AM.

Grades 4-6: Students will receive the foundations that will bring the wisdom of Jewish tradition to their contemporary life. They will approach their Torah study with the enduring understanding that Torah study is lifelong and ongoing. They will explore the core values found in the Torah. They will also cover topics such as Jewish American History and Israel. They will continue to decode Hebrew and learn the blessings and prayers that not only will help them in their B'nei Mitzvah, but also will form the foundations that will allow them to participate as Jewish adults in the larger Jewish community. In addition to the Sunday classes, students have a weekly Hebrew lesson here at TSS or virtually.

Grade 7: This is the bridge between adolescence and adulthood. These students are exploring, questioning, and maturing as they go through the B'nei Mitzvah year. The students will begin the year by reviewing T'filot (prayers), but the focus of the year will be finding their personal connection to Judaism, examining the Holocaust, debating contemporary Jewish issues, and learning about the Modern state of Israel. B'nei Mitzvah is not an ending point, but rather an important part of the journey. Therefore, we expect that our students will continue to our Teen/Tichon program and be part of the Confirmation Class in their 10th Grade year. Confirmation students will study with the Rabbi and Cantor and will lead a Friday night service to commemorate this simcha.

Grades 8-12: Teen/Tichon (Post B'nei Mitzvah/10th Grade Confirmation: Our high school students will continue to explore Jewish Issues and values as they apply to their busy lives today through interactive, engaging, and entertaining classes. Once per month, Guest speakers help us explore topical issues. Students do monthly Mitzvah projects and enjoy time to socialize. As these students mature, we look forward to their continued involvement in our Religious School as Madrichim (Teacher assistants.)

STARY YOUTH GROUP: STARY Senior 8th-12th Grade, STARY Jr. 6th /7th Grade, L'il STARY 4th/5th Grade Opportunities for social and educational programming that help to strengthen the relationships they have made at TSS. As high school students, they will have access to activities within the Palm Beach Jewish community and can also take part in national events though NFTY, the National Youth organization of the Reform Movement.

Celebrating our January Bar/Bat Mitzvah

Ashton Parker Kotok

Becomes a Bar Mitzvah
On January 13, 2024

Parent (s) Names: : Jennifer & Daniel Kotok

Grandparents: Bruce Greenfield, Donald Perrone and Caroline Perrone

Siblings: Mackenzie Perrone, Zachary Kotok

Academic Interests: History and Math

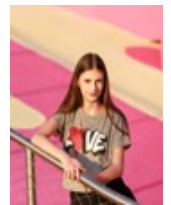

Special Interests: Rock 'N Roll and playing Electric Guitar

Torah Portion: *Va'era*

My Bar Mitzvah project: My Bar Mitzvah project was collecting used instruments and raising funds for the Palm Beach Symphony. At the PB Symphony, they assist local schools by donating funds and instruments to the underserved students of Palm Beach County through the Lisa Bruna B-Major Award. To date, I have raised \$1,000 and collected several items, including music stands, guitar strings, guitar picks, and music sheets. I wanted to share my love of music with other Palm Beach County students.

Brooke Talia Glassman

Becomes a Bat Mitzvah
On January 20, 2024

Parent (s) Names: Allison and Scott Glassman

Grandparents: Bonnie and Larry Lipner and Karen & Harold (z"l) Glassman

Sports: Ice skating

Academic Interests: Math

Torah Portion: *Bo*

My Bat Mitzvah project: For my Mitzvah Project, I volunteered at The Soup Kitchen's Annual Holiday Toy Drive. I started by asking for donations from friends and family so that I could go shopping to get gifts for the toy drive. With the help of my friends and family, we were able to purchase over \$500 worth of brand new gifts for the kids. The first time I volunteered was in 2022. I noticed that the age range for teenagers had the least number of gifts, so that age group was my main focus. On December 16, I volunteered at The Soup Kitchen to help hand out the gifts to all of the families that attended the toy drive. For the 2024 toy drive, I plan on donating a portion of my monetary gifts from my Bat Mitzvah to purchase gifts for The Soup Kitchen. I was very grateful that so many people were able to help me with my Mitzvah Project and I am excited to contribute to the donations for this year.

Paige Eliza Zuckerman

Becomes a Bat Mitzvah
On January 27, 2024

Parent (s) Names: Heather and Eric Wilson and Adam Zuckerman

Grandparents: Rita and Dennis Adelman and Barbara Zuckerman (z"l)

Siblings: Zoey, Cole, and Jake

Sports: Soccer

Academic Interests: Civics

Special Interests: Sports, Art, and Health

Torah Portion: *Beshalach*

My Bat Mitzvah project: My Bat Mitzvah Project was donating to the GTS Husky Rescue. I had a dog that brought me so much joy. She passed away a few years ago that made me and my other dog sad. I loved her so much and she was my husky Chloe's best friend. I wanted to contribute to a dog rescue to help other dogs in need. This one was the Husky Rescue I got my husky that I love so much from. I feel very proud of this achievement, and I will never regret giving back to dogs who are suffering or needing anything. I love dogs and I will forever love my dog that I have now and that passed away.

From our President

Jay Levine

These are incredibly challenging times we are living in. What started with the terrorist attacks on October 7th has quickly found its way to our own community. You have all heard of the increase in antisemitism. We experienced it first-hand receiving the bomb threat email that hundreds of Jewish institutions across the US received. Our children had to experience this and while we did a fantastic job with their physical safety, we must now address their emotional well-being.

What is extremely concerning is what is happening on the college campuses. Our families are subjected to physical and emotional threats at colleges and universities. Jewish students are themselves challenging what is happening in Israel and becoming anti-Zionists – even anti-Jewish.

It is possible to have two ideas at once. The Reform Movement is unequivocal about Israel's right to defend itself. It is not only defending the country but Jewish peoplehood. At the same time, we have concerns about the humanitarian crisis in Gaza and Hamas's tactics of using civilians as human shields.

For your college students, we can provide resources to help them deal with the situation on their campus.

This war will be over – hopefully sooner rather than later. We need to have a voice in Israel.

ARZA (Association of Reform Zionists of America) plays a pivotal role in promoting the values of Reform Judaism in Israel, advocating for religious pluralism, and working towards a more inclusive and progressive society. By joining ARZA, you contribute directly to the well-being of Israel and help shape its future as a democratic and just society.

Now, more than ever, it is crucial for us to stand together and support Israel. As we navigate through challenging times, our connection with the land, culture, and people of Israel serves as a source of strength and unity. ARZA provides a platform for us to actively engage in shaping the destiny of Israel and reinforcing the ties that bind us.

The cost to join is \$50 per household per year. Some congregations have this as part of their annual dues process. We have chosen to have it as a separate annual sign-up each January.

To become a member, simply [click here](#) and follow the easy steps to complete your registration. Your contribution goes a long way in supporting initiatives that align with our shared values and beliefs.

From the Board Room November 2023

Congregant Bill Forster brought to the Board a *Bring a Friend* program for TSS, patterned on a successful membership campaign he had worked with at his previous congregation. Bill had made for us (and donated the cost) several hundred *TSS Bring a Friend* chips. The challenge is to give chips to newcomers to the temple, each chip being worth \$1.00 when redeemed. Board and volunteers will be carrying chips; as they greet a newcomer to TSS, they give the newcomer a chip and give one to the member who brought them. There will be a *Redeem Your Chip* party and raffle around Passover. Thanks to Bill for bringing this to us.

Committee Reports indicate:

- PTO is selling tie-dye shirts for \$15

- Fund-Raising is sponsoring a Parking Space raffle...a chance to have a designated space with your name. Tickets are \$100 and a limit of 60 will be sold.

- Membership is facilitating a Chunky Blanket Making Party.

- Education is offering a Sunday Morning Breakfast Series on current issues.

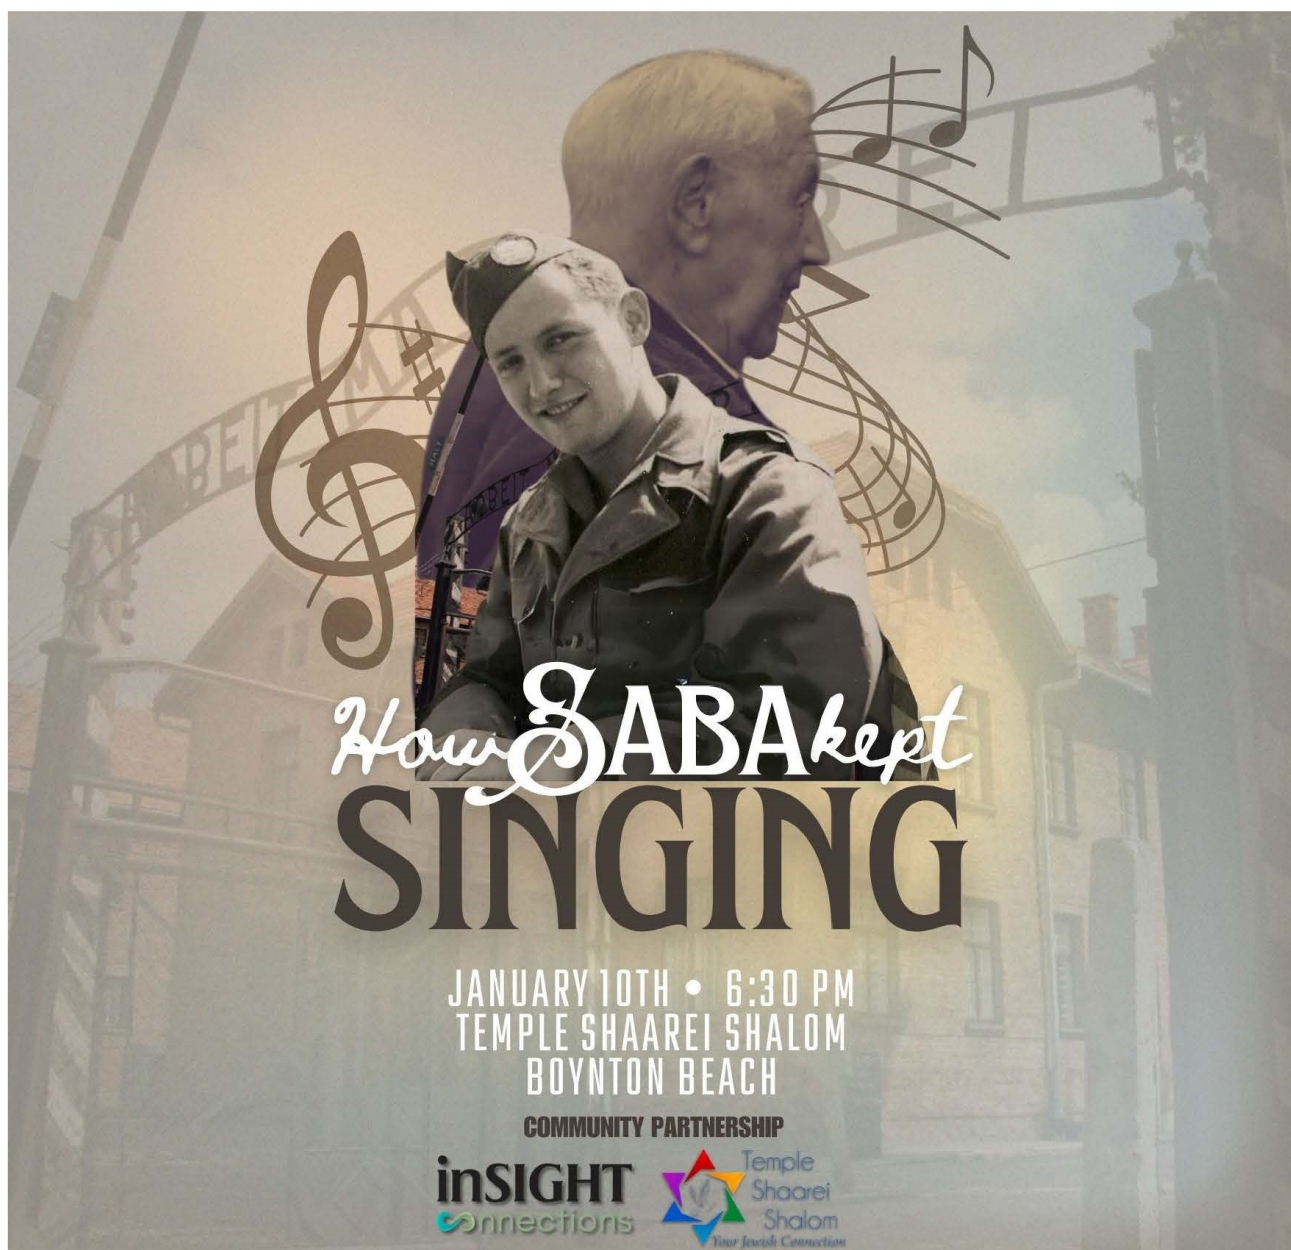

The Friends & Family program is being terminated. Under the new program you may receive a one-time credit of \$50 or \$100.

Jewish Family Service has moved in. In addition to offices and meeting rooms on second floor, they are expanding the Food Pantry to provide for refrigerated food.

Our building and grounds will receive lights at the south corner of the building. The Meditation Garden will have pavers replaced by mulch. The sidewalks need to be replaced. A board member will review our facility equipment for board and long-range planning use.

The Board was advised that Cantor Judith Borden Ovadia has entered hospice care (please note Cantor Ovadia (z"l) has passed away since this report).

The Board extends its condolences to board member Deborah Chasin on the death of her husband, Dennis Renyi.

This award-winning documentary film is an uplifting story about music, faith, family and resilience, proving love can grow and take hold in even the darkest of places. Film Screening and Q&A.

Israel Matters

“Israel Has Your Heart, Now Lend a Hand”

Many Americans are standing With Israel by standing IN Israel as volunteers.

Since the start of the war on October 7, 2023, labor has been in short supply due to hundreds of thousands of Israelis called up for reserve duty, foreign workers leaving the country, and many people unable to get to their workplaces because of war-related childcare or safety issues.

A Christian Zionist group called HaYovel based in the West Bank is responsible, for example, for bringing “The Cowboys,” a group of four cowboy volunteers who are helping in agricultural roles. One young man from Montana said that while they do not have pineapples in Montana, he is happy to roll up his sleeves and help harvest them in Israel.

Another group that has garnered widespread media attention is **the Emergency Volunteers Program (EVP)**. It is best known for its firefighters’ program, but during the war has expanded its projects to include a Mass Feeding Unit that prepares fresh, healthy meals for IDF soldiers and a Make a Soldier Smile project that has volunteers cooking meals at pop up field kitchens on military bases.

If you would like to live and work on a IDF base, you can check out **Volunteers for Israel** (www.vfi-usa.org) and **Sar-El** (www.sar-el.org) which have hundreds of volunteers packing supplies for medics and combat soldiers.

Israeli tech companies are also short-handed as 15-20 % of tech employees have been mobilized for reserve duty. **Startup Reserves for Israel**, based in New York, is recruiting thousands of volunteers to offer support, guidance, and staffing to twenty-five companies in Israel’s high-tech sector.

Here are just a few of the many other volunteer programs available:

Mission Hinenu works in conjunction with the Health Ministry to process paperwork for both medical professionals and non-medical personnel able to come to Israel to volunteer.

Adopt-A-Safta brings foreign volunteers with access to a vehicle to deliver Shabbat meals to isolated seniors on Friday mornings.

Birthright Israel alumni, ages 18-40, can volunteer for 2-weeks in food rescue operations. **Masa Israel Journey** offers a 6-week project where participants may choose among several volunteer projects assisting displaced families in the southern and northern parts of the country.

Many other programs are listed online. Your TSS Israel Committee encourages you to roll up your sleeves and join in to do a mitzvah.

The First Affinity Group Enjoys Shabbat Dinner Together

Here are Temple members participating in a Pot-Luck Dinner before attending TSS Services. This Affinity Group takes place the first Friday night of each month and is open to all Temple members. You, too, can join us. Pictured left to right, are Marty Eisenberg, Judy and Myron Santo who hosted that evening, Millie Seader, and Lynn and Les Berger. Others who were there did not get in the picture.

The Friday night Potluck Dinner before TSS Services has been enjoying this activity and meeting other Temple members for eight years. This picture was taken at one of the first dinners. All the people you see are still participating. Our January 5th dinner, the first one for 2024, will take place at two homes, each hosted by members of the affinity group. We begin at 5:00 p.m.

and leave for Temple by 7:00 p.m. The only requirement for joining is to be a Temple member. Everyone is welcome. If you would like to participate in future Potluck Dinners, contact Anne Gorenstein by email at Havurot@Templeshaareishalom.com.
