she is most vulnerable.

NEW for 2024! Be a Volun-Tour for Israel NOW!

Volunteers for Israel is bringing you exciting new 'Volun-Tour' programs and rewarding new opportunities to Stand With Israel. In Israel.

VOLUNTEERS FOR ISRAEL has expanded its scope to include more of Israel's rich volunteer opportunities for Americans who want to support Israel's needs now and after the dark days of the current war.

Our new volunteer programs are designed for both first-time and experienced travelers throughout the year. They will offer carefree, All-Inclusive opportunities to volunteer and explore, led by professional Israeli guides. Your housing, food, transportation, and program costs are included. Also included is customized weekend touring to both well-known and less familiar (yet compelling) sites with our limited-size groups.

"Volun-Touring" delivers unique experiences and personal satisfaction along with real and meaningful service to Israel. We focus on the interests of adults and seniors with the finest experiences that our Israeli program partners can offer.

Which category of our Volunteer programs might pique your interest: archaeology, medical support, home reconstruction, agriculture, humanitarian aid, nature, emergency services, education, nursing homes, and more?

REHABILITATION HOSPITAL — Hospital Volunteer

Volunteers at Reuth Tel Aviv Medical Center are a key part of the hospital, assisting medical staff and patients in their regular activities. Reside on campus for this 16-day program which includes all-day tours.

VFI ARCHAEOLOGY PLUS REBUILDING

Work with professional archaeologists from Tel-Aviv University, seek biblical artifacts and participate in private and instructional tours. Spend a week rebuilding ravaged homes and schools in the Gaza Envelope 16-day program including all-day tours.

VFI ADVANCED PLUS

You work directly on the renovation of the affected Gaza border communities, including rebuilding and repairing schools, social halls, bomb shelters, and homes. Select either the 9- or 17-day program, each includes all-day tours.

*"Through a world gripped of hardship and darkness, let your service
lighten the load of burden and brighten the life of the vulnerable."*
